Yes, absolutely I will coordinate with Rich. Thanks for the heads up on vacation schedules. I think we have like 8 days or something like that with the full draft. Definitely tight time line!

Hi Erin,

It looks like we will be receiving a more complete administrative draft tomorrow and we will have a short deadline for comments. I'm going to be on vacation from the 4th through the 8th and Diane is out this week. Assuming that you will be reviewing this version too, if you run across anything that we should be aware of that isn't entirely obvious or which is a big concern for EPA could you please let Rich, Diane, and I know?

Thanks,

John
